

# CESE-2019

3-7 November, Kaohsiung, Taiwan

## Key Dates

- ▶ Abstract submission opens: **1 March 2019**
- ▶ Abstracts submission deadline: **1 July 2019**  
(abstracts templates could be found at the conference webpage <http://cese-conference.org/>. Please send your abstracts to Dr. Li Shu by email: **li.shu846@gmail.com**)
- ▶ Notification of acceptance: **15 July 2019**
- ▶ Deadline for early bird registration: **31 July 2019**
- ▶ Deadline for late registration (to be included in the abstracts book): **3 October 2019**

## Keynote Speakers

- To be confirmed

## Themes

1. Application of Membrane Technology & Nano-Technology
2. Water & Wastewater: Pollution Prevention & Treatment
3. Resources & Wastes: Management and Recovery of Materials and Energy
4. Air Pollution: Prevention and Treatment
5. Sustainable Catchments & Renewable Energy
6. Cleaner Production & Emerging Sustainable Practices
7. Appropriate Technology for Sustainability & Climate Change Adaptation / Mitigation
8. Soil Sustainability and Contaminated Soils & Sediments

## Preliminary Program

- **3<sup>rd</sup> Nov.** 2:00 – 5:30 pm Registration & Poster Placement
- **3<sup>rd</sup> Nov.** 6:00 – 9:00 pm Welcome Drinks
- **4<sup>th</sup> Nov.** Morning Registration, Welcome & Keynote Speeches
- **4<sup>th</sup> Nov.** Afternoon Poster Session & Parallel Oral Presentation Sessions
- **5<sup>th</sup> Nov.** Morning & Afternoon Parallel Oral Presentation Sessions for Students & Young Scientists
- **5<sup>th</sup> Nov.** 6:30 – 10:00 pm Awards for Best Oral and Poster Presentations by Students and Young Scientists, Gala Dinner
- **6<sup>th</sup> Nov.** Morning & Afternoon Parallel Oral Presentation Sessions for Senior Researchers
- **6<sup>th</sup> Nov.** Evening Formal Closure of Conference
- **7<sup>th</sup> Nov.** Morning Field Trip

## Scientific Writing Workshop

4<sup>th</sup> and 6<sup>th</sup> November from 6:00 – 10:00 pm by Dr. Eldon Raj Rene from Delft IHE, Institute for Water Education will host the workshop

## Special Issue Journals (to be confirmed)

*Chemosphere*  
*Desalination and Water Treatment (DWT)*  
*Environmental Science and Pollution Research (ESPR)*  
*International Biodeterioration and iodegradation (IBB)*  
*Journal of Environmental Engineering & Science (JEES)*  
*Journal of Environmental Management (JEMA)*  
*Journal of Water Supply: Research and Technology – AQUA*  
*Journal of Water Sustainability (JWS)*  
*Membranes (by MDPI)*  
*Process Safety and Environmental Protection (PSEP)*  
*Sustainable Environment Research (SER)*

**CESE-2018 Chairman Professor Cheng-Di Dong**, Kaohsiung National University of Science & Technology, Taiwan

**CESE-2018 Co-Chairmen Professor Piet Lens**, National University of Ireland Galway & **Dr. Eldon Raj Rene**, Delft IHE, The Netherland

**CESE Series Chairman Professor Veeriah Jegatheesan**, RMIT University, Australia

**CESE Series Co-Chairmen Dr. Li Shu**, LJS Environment, Australia & **Professor Chia-Yuan Chang**, Chia Nan Univeristy of Pharmacy & Science, Taiwan

**CESE Series Honorary Chairman Professor Roger Ben Aim**, Institute for Filtration and Techniques of Separation (IFTS), France
