Solutions are boundless....

Dear Partners and Sponsors.

it is with great pleasure and excitement that we extend our invitation to the 19th Annual International Conference on the Challenges in Environmental Science & Engineering. For the second time in its history, this esteemed conference will be hosted in Thailand, specifically in the buzzing city of Bangkok.

Over the years, the conference has attracted a diverse international audience, with approximately 200 participants hailing from more than 20 countries worldwide every year. This event serves as a crucial nexus for professionals, researchers, and enthusiasts in the environmental science and engineering domain, and has been recognized as a vital platform for global collaboration.

Our conference promises a robust program featuring engaging oral presentations and insightful posters. Attendees, comprising academia, industry experts, and researchers, actively contribute to the success of the event, fostering an environment of collaboration and knowledge exchange.

We cordially invite you to join us in this groundbreaking edition of the conference and contribute to the success of the 19th Annual International Conference on the Challenges in Environmental Science & Engineering. Your support is invaluable, and we look forward to welcoming you to Lanzhou, for what promises to be a memorable and impactful event.

Thank you for considering our invitation. We eagerly anticipate your participation.

Best regards,

Professor Chart Chiemchaisri and Professor Chettiyappan Visvanathan, CESE-2026 Conference Chairs
Professor Veeriah Jegatheesan, and Dr. Li Shu, CESE Conference Series Chairs

CONFERENCE THEMES

- Application of Membrane Technology & Nano-Technology
- Water & Wastewater: Pollution Prevention & Treatment
- Resources & Wastes: Management and Recovery of Materials and Energy
- Air Pollution: Prevention and Treatment
- Sustainable Catchments & Renewable Energy
- Cleaner Production & Emerging Sustainable Practices
- Appropriate Technology for Sustainability & Climate Change Adaptation / Mitigation
- Soil Sustainability and Contaminated Soils & Sediments
- CO2 Capture and Utilisation
- Hydrogen Economy and Technologies

SPONSORSHIP OPPORTUNITIES FOR THE 19TH ANNUAL INTERNATIONAL CONFERENCE ON CHALLENGES IN ENVIRONMENTAL SCIENCE & ENGINEERING

Investing in sponsorship for the 19th Annual International Conference on Challenges in Environmental Science & Engineering offers sponsors numerous advantages, making it a strategic opportunity for companies and consultants. Here are the key benefits sponsors can expect:

1. **Enhanced Visibility and Reputation**
2. **Engagement with Key Influencers and Stakeholders**
3. **Brand Exposure**
4. **Customized Marketing Opportunities**
5. **Showcasing Products and Services**
6. **International Collaboration**

Key benefits collectively contribute to a comprehensive and impactful sponsorship experience, ensuring that your organization stands out and maximizes its engagement with the conference audience.

Given these advantages, we extend an invitation to companies and consultants to consider advertising or sponsoring what provides an excellent opportunity to promote products and services related to environmental monitoring and protection, technological solutions, consulting, and more.

At the 19th Annual International Conference on Challenges in Environmental Science & Engineering, we are committed to providing our partners and sponsors with a personalized approach tailored to their specific wishes and needs. We guarantee high visibility throughout the announcement and execution of the conference, ensuring that our sponsors receive the recognition they deserve for their support.

Join us in making this conference a success while showcasing your commitment to environmental science and engineering. For further details on sponsorship packages and benefits, please contact us. Your support is vital in advancing the goals of our conference, and we look forward to collaborating with you for a mutually beneficial partnership.

Giving a short welcome speech at the ceremonial opening of the Conference (5 min)
Promotional lecture of your company (15 min)
Free registration to the Congress - single
Exhibition space equipped with table chairs (≈ 8 m^2)
